IN MEMORIAM

In memory of our dear Mother and Grandmother, Georgie D. Thomas, that left us three years ago September 2, 1969.

Mother was called by Jesus to be a jewel in Heaven.
The thoughts of you are always with us.
The moments of your care are vacant
The love of your kindness is never forgotten
For in our heart a sadness remains for the dear jewel That you meant to us.

Sadly missed by Children and Grandchildren 8-31-1t

SEVENTH-DAY ADVENTIST
Rufus B, McDannel, Pastor
Sabbath School Lesson — 9 August 20 -26, 1972.
Subject: Receiving the Double Blessing.
Scripture Text, "And God blessed the seventh day, and sanctified it." Gen. 2:2,3.
"Blessed is the man that doeth this, and the son of man that layeth hold on it; that keepth the Sabbath from polluting it, and keepeth his hand from doing any evil."Isa. 56:2.
"Blessed day and a blessed person meet in true Sabbath keeping. The Creator placed a special blessing on the seventh day after He had rested at the close of the first week. The seventh day in each of the successive weeks to come was blessed for man. And this blessing is still on every seventh day of the week for everyone who keeps it holy. Then there is God's promise; Blessed is the man . . . that keepeth the Sabbath from polluting it. We need this double blessing as never before to fulfill His plan for our lives.
Christ's Sabbath is His meeting point for bestowing His double blessing upon the faithful believer. Each person determines the measure of this divine blessing for himself by how he meets Christ in His Sabbath.

"They're there if we need them..."

Buddy Eggleston, Vice President and Manager of Fidelity's Appomattox office, talks frankly about banking here in Appomattox.

"Here at Fidelity, we firmly believe in competition. It's good for Fidelity, it's good for our town, and as a bank customer, it's good for you. Because without competition, you have no basis to make comparisons. And we know we have services to offer you that can't be topped. Here's why.

"As a bank with over $300 million in deposits, Fidelity can respond to virtually any financial need our business community may have. This is important not only to the businesses already here, but also to new companies that might move here, creating new jobs, paying new taxes and helping our whole area become more prosperous.

"At Fidelity, you usually earn a higher annual yield of interest on your savings. That's because we have the computer capability needed to compound your interest every day. When you save with a bank that only compounds your interest quarterly or semi-annually, you actually earn less interest over a year's time, even if the bank is paying you the highest rate allowed.

"As a big bank, we provide in-depth help to farmers in our area with our full-time Agricultural Services Department. This means loans for planting, harvesting and equipment, along with professional advice on cash flow and farm business management.

"Fidelity also offers you trust services, specialized and experienced counsel to help guide you in the growth and preservation of your estate.

"And as a big bank, we can tell you in all sincerity that we only got to be big by serving our customers better, because that's the way the free enterprise system works.

"But there's an important difference between Fidelity and most big banks. Our local bank offices are run by local people. Like me. Like the members of our staff and our directors, all of whom live here and know our community's needs. Our headquarters staff in Lynchburg is there IF we need them, but the decisions that affect YOU are made right here. By local friends who know that we can only grow by helping you grow."
